Praying the daily Rosary for the Culture of Life to prevail
Help reach the goal of 30 million rosaries!

Eight years ago we did a rosary campaign; the goal was 3 million rosaries for the culture of life to prevail during the election. We collected pledges to say 3.5 million rosaries. We are again collecting rosary pledges, with the same intention. We have set the goal at 30 million. This number represents 10% of the US population. The website is lepanto2008.org or contact us at lepanto2008organization@gmail.com.
Thank you and God bless,

Greg and Toni Whittaker
Lepanto 2008

Please help us to reach our goal:

- After you pledge, get your friends and family to pledge online or on the sheet below.
- The best way to get pledges is to have personal contact with people.
- Call religious houses that you are associated with and tell them about Lepanto 2008.
- ***Once you collect pledges, please visit: lepanto2008.org and fill out the form for all names on your sheet.***
- Pledging to pray the rosary for four years does not bind under pain of sin, so go ahead and sign up!

THANKS, OUR COUNTRY IS WORTH IT!
